## Project Timeline

- ✓ Include major action steps.

How many project phases will there be? How will you accomplish these goals?

- ✓ When will your project begin and end?

Provide realistic timeframes. Complete your project within one year. When will each task/event take place? Include workshop schedules/agendas.

- ✓ Prove that you really thought through the details.

What will be done? Who will do each task? When will each task/event take place? Who will manage the project? How many alumni will participate? How will post be involved?
